2DOX Cuger

What can you not say about this fantastic buck, sired by the great RRD Ruger and his dam is the foundation of the best of our genetics, 2DOX Bingo Star. Cuger continues to impress you the older he gets with his length, overall balance and that huge butt!! He has amassed many championships and his kids are poised to do the same.

AABG Status Quo *Ennobled

Status Quo, the 2009 Fort Worth Stock Show Overall Grand Champion is the most powerful made buck ever to stand stud at Able Acres. This powerful young buck hit the ground with that special look. A look like no other! He blows you away both coming and going, and at the same time has a striking long arched neck topped off with a very attractive neat well formed head. If you are looking for a buck that can put you two steps ahead of the competition look no further, Status Quo.

AGBG Gateridge Blaster

RRD Canon son. Blaster was purchased in 2007 from GateRidge Farms just prior to their herd reduction sale. Blaster has produced kids that are correct in every aspect. If you need to add Length, Width, Bone and overall balance to your program than these are the genetics you're looking for.

BDK2 AABG Rippers Reload

Those of you that have seen this buck....love him. Turn him loose and take the picture! This guy doesn't need to be set, he is a NATURAL!!! Ripper's Reload was awarded Overall Grand at his first show at 5 months of age. Shortly after that he broke a horn. He has blossomed into one stout, yet stylish, stud buck. He is without a doubt, the best Wide Load son that we have raised. He is a double bred Ripper and earned his name with his uncanny resemblance to his Grand Sire, TLB T333 Ripper. His dam is BDK2 AABG One Hip Rip, the 2010 JABGA National Reserve Grand Doe. If you are looking for that extra length of body, big rear end and extension through the front end, this buck's progeny will work for you.

C S B Maximum Impact

C S B Maximum Impact is one of the new stud bucks of Able Acres. We think he will fit the bill in our quest to find a powerful outcross for our Ripper daughters and granddaughters. We found Max at this year's 2010 ABGA Nationals in Dr. Mark and Sherri Watkins, Circle Star Boer Goat's show string. He is a son of the **Ennobled** C S B Ruger Reloaded. His sire has amassed over 1500 ABGA points to become one of the highest pointed bucks in ABGA history. In choosing our sires we think it is important to stay with those strong characteristics and genetic traits that will pass to the offspring. Max has one of the strongest heads you will ever find on a yearling boer buck. He is massive in all respects, muscle bone, width and rear end. Maximum Impact has over 60 ABGA points and has been shown extensively throughout the majors in TX. He was part of the 2010 ABGA Nationals Grand Champion Best Pair Of Buck Kids.

C S B Ruger Reloaded *Ennobled

CSB Ruger Reloaded currently (as of 1/7/2011) has 2435 points showing on the ABGA site, making him the Highest Point Earning offspring of RRD Ruger T307 Ennobled !! There are very few bucks out there that have the proven record of producing award winning offspring as evidenced by his accumulating 2322 progeny points. He is extremely thick with great width of chest floor and that barrel chested spring of rib that the judges demand. He is long bodied and level hipped and he is single teated. He has that gorgeous Ruger head with perfect bite and thick neck. He has been Overall Grand Champion or Overall Reserve Grand Champion multiple times. He weighed in at 200 lbs before he was eleven months old.

DCW / MCR Slam Dunk *Ennobled

Slam Dunk is without a doubt the most expressive, level topped, extreme pulled apart buck we have ever raised. Doug Widener and I own the Dam, Sorority Sister in partnership. When we saw the frame and muscle of Right on Target we had to cross these two, and what a set of kids they gave us. Slam Dunk is the best of that cross and the most outstanding I have seen at his age. He was the 2010 San Antonio, Houston and San Angelo Grand Champion Buck. He has amassed over 300 show points in his first year of showing. His kids are now making a statement in the ring.

FSE 7020 On Your Mark

"Mark" as we call him, is perhaps in our all-time "top ten" of the numerous sires we've produced and used over our does. His sire is On Daq Ennobled and his dam is FSE 4061 Ennobled (Mojo x A.O.L.). We're hoping his progeny we've sold will do well in the sale ring so he can join our "Ennobled Elite."

FSE 8170 Rip It Up

If you liked the legendary "Ripper" Ennobled, you will love his son "Rip It Up." He's totally awesome and his progeny are usually born in his likeness. His dam is "True Blue," a daughter of the well recognized Blue Chip Ennobled over a Silvergate doe. Although we aren't showing we expect to see many of his offspring winning in the show ring.

FSE 7059 Demo

Demo is now breeding and enjoying life in Colorado although we wish he were home breeding more impressive progeny. His pedigree includes Sumo Ennobled, Blue Chip Ennobled, Aflac Ennobled, and Precious Perfect Ennobled.

FSE 5197 Marvel

The majority of our sales of both bucks and does this year have been Marvel's progeny. To see this "one-of-a-kind" buck is to want his progeny. To say he's long, tall and wide is an understatement. Marvel is "fancy" and carries his head high and with arrogance.

FSE 6184 Enterprise

To appreciate the power of this beautiful buck is to look at his impressive pedigree: Sumo, Freighttrain, Highlander 104 and doe Plum—all Ennobled. This boy is now in San Antonio breeding for show wethers.

FSE Storm " Sire of Merit "

It didn't take too long for us to realize that this was one of the best investments we made since starting in the Boer Goat business. Storm has consistently produced several Wether and Breed show champions. Several of his fullblood and percentage offspring have been sold at the Elite Coalition Sale the past few years and word is they are all doing well. All his kid's demonstrate The Farmers Stock exchange standard of structural correctness and Heavy muscling.

M4R Lewis Creek Bono *Ennobled

BONO was shown, winning 12 straight championships, with wins against formidable competition that included the 2009 ABGA National Overall Grand and Reserve Grand Champion bucks. His sire BDF Another Notch *Ennobled is the ET flush mate brother to the 2005 and 2007 ABGA National Overall Grand Champion bucks, BDF Powersource *Ennobled and BDF Yatzee. His dam RRD R840 *Ennobled is a daughter of the 2002 ABGA National Jr. Champion doe RRD Miss Monroe N393 and RRD Ryals Goldust, who is a full brother to Eggsfile *Ennobled and sire of the 2005 ABGA National Overall Grand Champion doe BNZ Lydia *Ennobled. BONO has a "perfect bite", four well separated teats, 100% dark pigment, eight toes going straight forward, and at over three hundred pounds runs around the pasture like a young buck kid.

MCR RRD Armed & Dangerous

A-D as we call him for short has produced clean and up fronted kids that also reflect his classy style, Heavy bone, muscling and complete balance. His sire is RRD Ruger. A-D currently has close to 200 combined points toward his Ennoblement and will earn that distinguished award once his 2011 kid crop is inspected at the end of this year. One of his buck kids, CBA Warsaw placed 3rd in a class of 27 at the 2011 ABGA Nationals in the same class that produced the Overall Grand and Reserve Champion Bucks.

MCR Main Venture

Sired by Main Event. All of his kids demonstrate the bone, muscling, width, structural correctness and surprisingly clean fronted kids that this bloodline is known for. Several of his percentage kids were sold at the 2010 Elite Coalition Sale and have already started their winning career in the show ring.

MCR Trash Talker

Trash Talker has been a great addition to our breeding program. His kid's all demonstrate the breed standards that his bloodlines are known for. He has produced several Market Wether class and champion winners.

SWE Main Event *Ennobled

Main Event just keeps getting better and better each year. This 3 year old 350 pound buck is tall, full of muscle and not a wrinkle on his neck. He has amassed over 800 ABGA points with 37 of his kids ennobling him. The more Main Event kids you see, the more you like him and see what he brings to the table. His kids are big, tall, long, excellent topped, elegant and naturally deep muscled.

TLB T333 Ripper *Ennobled

Ripper sired 5 out of the 18 Fullblood Class Winners at the 2008 ABGA Nationals along with the National Champion Buck and National Champion Get of Sire and several other divisional champions! He has already accumulated nearly 4000 points. He will go down in history as one of the greatest breeding bucks of all time.

TH Some Body

Some Body is the \$10,000 GHUT Festus son of the great GHUT Festus buck. He is a truly unique individual that is seeing heavy use in our herds. Festus sired more champion wethers in 2007-2008 than any other buck including several of the major Texas wether shows. Some Body is on the cutting edge and is a breed changer.

Windy Acres Strategic Power

Windy Acres Strategic Power with over 200 Individual points is the highest pointed Buck sired by Ennobled Expensive Power Play out of a Windy Acres V11 Ennobled Cannon Daughter. Currently with 17 Champion Titles, 10 Reserve Titles and 19 Class winnings, Strategic Power delivers the "Power" most sought after by Breeders of the Boer Goat Industry.
